ANNE UEBELACKER

Anne resides in Burnaby British Columbia with her teen-aged son Todd, and life partner Sally. Anne started calling in 1977 for a children's group and has progressed to call all levels from basic through C4. She holds down a strong home program with Vancouver's own Squares Across the Border, as well as an equally busy traveling schedule on the weekends that finds her everywhere from Vancouver to Florida to Germany, Sweden and Japan.

Some of the calling highlights she is really proud of are her calling gigs at the IAGSDC conventions, her 10 year medallion from Freeman Stamper awarded at the convention in Portland Oregon in 1998, and her calling spots at the Canadian, National and American Challenge conventions. Her relaxed style and easy listening voice have won her many square dance friends at all dancing levels all over the world.

GRANT ITO

Grant has been calling since 1995 and has proven that a new caller can reap the benefits of hard work and determination. He considers himself very fortunate to have been asked to call various specialty tips, graduation dances, fly-ins, and conventions, both gay and straight in Canada and the USA.

One of Grant's proudest moments was being asked to call the opening tip of the Los Angeles IAGSDC convention in 1999. One of the most fun times he's had was co-calling the fun badge tour for Vancouver's IAGSDC convention in 2001. No matter how many Mainstream classes he graduates, he always feels a great sense of pride and accomplishment when he sees those dancers out on the floor at their first dance or fly-in.

Although he has been focussing mainly on teaching Basic through Plus at his home club, Grant is currently teaching Basic/Mainstream and Advanced. He also calls all levels to C3A and enjoys them all equally.
